**Safer Roads Humber:- Misconduct in a Public Office, Breaches of Statutory Duty of Care, of Perjury Act 1911 (false information in public documents), of Construction Design and Management Act 2007 (duty to identify and reduce hazards in use) and perhaps other criminal offences including false accounting and fraud.**

**Dear Chief Constable,**

Having confirmed by telephone this afternoon that my complaint is awaiting assessment I write to ask you to add Alan Menzies of East Riding Council, East Riding Council itself and Councillor Gary Wareing of Hull City Council as being in breach of their statutory duty of care and possibly other offences. The enclosed copy letters and email should be self-explanatory but if you have any queries please do not hesitate to contact me.

**Yours Sincerely,**

**Idris Francis**
